Billy the Kid a bien mangé . Pour se distraire , il décide d'attaquer la banque . Il prend son arc et ses flèches . C'était le 12 janvier 1846 , à 14 heures et 3 minutes , heure locale . Dès qu'il l'aperçoit , le banquier vient à la rencontre du desperado et lui remet la recette du jour , d'un montant de 2147 dollars et 62 cents , dans un sac de cuir rouge aux fermetures en cuivre " Brave Billy , lui dit le banquier , c'est toujours un immense plaisir de travailler avec vous . Je vais pouvoir toucher l'assurance " .
